# MEDICINE & PEDIATRICS

---

## How we serve our community

### **Family Medicine**

- Comprehensive care for all ages, from newborns to elderly
- Acute care, preventive care, routine checkups, management of chronic illness, and more!

### **Pediatrics:**

- Circumcisions
- Well Child Checks
- Vaccinations

### **Beyond Family Medicine:**

- Stem Cell Joint Injections
  - o Shoulders, hips, knees
  - o Hands and tendonitis
- Genetic Testing for Pharmacokinetics
  - o Learn how your body processes specific medications to maximize effective dosages
- Women's health
  - o Contraceptive counseling
  - o IUD placement
  - o Annual physicals with PAP and Breast exams
- Weight loss counseling and management
- Skin Care
  - o Mole and cyst removals
  - o Wart treatments
- We work closely with UW Medex PA program helping train new PAs
